

## Sermon-Based Community Group Study Questions

**Date:** February 5, 2012

**Text:** 1 Corinthians 15:1-8

**Series:** The Apostle's Creed

**Teacher:** Steve Aurell

**Title:** I Believe in the Resurrection

1. If you believe in the resurrection, did you rely on historical evidence to convince you or was it more a matter of "faith"? Why do you say that?
2. Of all the evidence presented pointing to the resurrection of Christ, which is most compelling to you? Explain why.
3. Describes the transformation in Peter, James, and Paul's lives after their encounter with the risen Christ. Why were the disciples so willing to die for their commitment to the gospel?
4. What are the implications of the resurrection in your present spiritual journey? How does the resurrection impact the way you deal with struggles and trials? How does it impact the way you approach your relationships?
5. If you feel comfortable, in about 5 minutes or so share your faith story with the others in the group: how did you come to faith in Christ? How meaningful was the resurrection of Jesus Christ to your conversion?
